

Talent Resources

TheBigCalling.Com

The workplace is comprised of individuals who have their own experiences, emotions and attitudes. Often these diverse experiences can create stress and adversity in the office. The smart business owners get ahead of this by investing in trainings that neutralize the impact of these differences. Our trainings are very effective in this respect, but more importantly our trainings help to create a happier and more productive employee. And happier more productive employees lead to a more efficient and prosperous business.

The Big Calling Offers the following Talent Resource Trainings:

- Understanding and Leveraging Character Strengths and Values In the Workplace
- Creating Harmony Through Workplace Mindfulness
- Building the Productive Office Through Positive Relationships
- Creating the Ultimate Employee Through Meaning and Valued Living
- Understanding and Applying the Science of Self-Acceptance
